Re: Application of CCCTN, Inc. d/b/a Connect! for a Certificate of Public Convenience and Necessity to Provide Competing Facilities-Based and Resold Local Telecommunications Services in the State of Tennessee; Docket No. 99-00854 - Clarification to Application

Dear Mr. Waddell:

It has come to our attention that one of the exchanges listed in Section 9 of Connect!'s Application for local exchange service should be deleted from the Application. My client has authorized me to inform you that Smithville should be deleted as an exchange that Connect! plans to serve.

Please let me know if you have any questions.

Sincerely,

D. Billye Sanders
